NOTAM

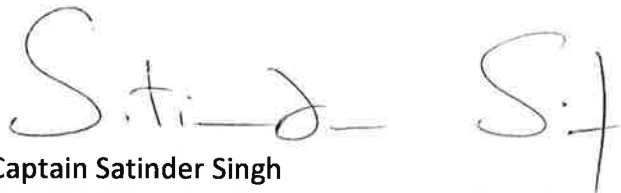

#2020-01A
AMENDED

Port of Nanaimo advises the following:

BC Hydro will be installing submarine cable protectors between the Nanaimo Seaplane Terminal and the Fishing Pier on August 13th from **0730 and 1700 (PDT)** and August 14th, 2020 from **0730 1400 (PDT)** at 49° 10.233'N 123° 56.083'W.

Nanaimo Harbour Water Aerodrome "A" will be fully open throughout this notice.

The vessel will be anchored in position approximately 55 metres North of the Seaplane Terminal. The vessel will be restricted in its' ability to manoeuvre with divers directly below the vessel. All aircraft to provide the vessel with a wide berth.

Captain Satinder Singh
Vice President Marine Operations and Harbour Master
