October 20, 2021 - NAVWARN was not issued by MCTS-Prince Rupert - e-mail read "because the dive operation is within a high level VTS zone, I cannot issue a Navigational warning for this due to national procedures in place. Please report this activity and intentions to Victoria MCTS where they will be able to issue a Marine Voice Advisory for Dive Ops". E-mail sent to Victoria MCTS and they responded "Received. Wilco"

Please call 250-753-4146 if you have any difficulties in receiving this transmission.
